

Are you a UK taxpayer? If so, you can help us even more...

If you pay UK tax **you can add another 25p to every £1 you give – at no extra cost to you** – just by completing this simple declaration form which lets us reclaim money from the Inland Revenue. It makes a big difference to us. And you only need to do it once.

- This applies to one-off donations, repeat donations and membership subscriptions (once we have a subscription system in place).
- You just need to be paying at least as much income tax or capital gains tax as we will reclaim on your donation.
- You don't need to declare these payments on your income tax return.
- If you are a higher rate taxpayer you can also claim additional tax relief for yourself for your payments. Just ask us for a receipt.
- Once you have registered you do not need to repeat this procedure for future donations.
- You don't even need to wait until you are making a donation to send this form – you can register in advance. So please don't delay.

Thank you.
