

Dressed For Stories

Suitable for Early Years to Key Stage One

Our popular Changing Room space is still here, together with the beautiful wall hangings from our World Stories room, while the rest of our exhibition spaces are undergo major redevelopment work. So why not book to spend a while at The Story Museum site with our experienced Learning Team story session leaders!

Early Years Foundation Stage

Dress up as a character and be announced on our legendary Talking Throne. Then, come to our cosy story space for interactive picture book reading, followed by a themed craft activity.

Do let us know your preferred theme and we'll find the stories and craft to fit!

Key Stage One

Dress up as a character and be announced on our legendary Talking Throne. Then, join in with some oral storytelling of folktales from around the world, which inspired our beautiful textiles on display in the World Stories corner. Use this as a stimulus to create a story of your own to tell the rest of the class.

Key Stage Two to Three

Combine a visit to the dressing up and Talking Throne with our Wonder Walk (see Wonder Walks for prices and booking).

Prices & Booking

£100 + VAT for a 90 minute session
